

POWERPOINT PRESENTATIONS

Please Include:

- A brief "engagement tool" (typically before the presentation), to gather interest
- 1 introduction slide (Topic and Group Members)
- 2-3 slides providing the definition and history of your issue
- 2-4 slides for each point of view
- 1 slide listing your references
- 4-5 graphics throughout your presentation (more than clipart)

Time Frame:

- Each presentation should last about 15 minutes total (including the engagement tool)

Guidelines:

- Please submit your final presentation on jump drive. Alternative methods: by drop box, or by CD.
- No more than 7 words per bullet point, and no more than 7 bullet points per slide. (The slides ARE NOT there to read from, but simply to reinforce the most important points.)
- **DO NOT READ** entire sections from your slides or from your notes. Speak from the heart. Practice your presentation without even using the slides.
